TENNESSEE GENERAL ASSEMBLY FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 795 - SB 724

March 10, 2011

SUMMARY OF BILL: Creates an exception for Hardeman County, giving it discretion when using asphalt produced by a local entity in its jurisdiction for paving and repairing public streets, roads, highways, and parking areas under its jurisdiction, whereas current law states that asphalt produced in a facility operated by any local government shall be used exclusively for paving of public streets, roads or highways.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

 Permitting Hardeman County greater discretion on how it uses asphalt, as produced by a local government-owned facility, upon public streets, roads, highways, and parking areas within its jurisdiction will not result in a significant fiscal impact to local government.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
